90.7	80.7

**Year 4 Enterprise Project-** We would like to say a huge thank you to our Year 4 pupils who managed to raise £98.91 as part of their enterprise project. They have donated this money to Water Aid, which will be used towards supporting their vision of providing clean water and sanitation for everyone by 2030.

**Sports Day-** This year our sports days will be on Thursday 14<sup>th</sup> and Friday 15<sup>th</sup> July. Foundation Stage and Year 1 events will be held during the Thursday morning, Year 2 and 3 will be on Thursday afternoon and Years 4, 5 and 6 will be on Friday in the Morning. More details will be sent out closer to the time.

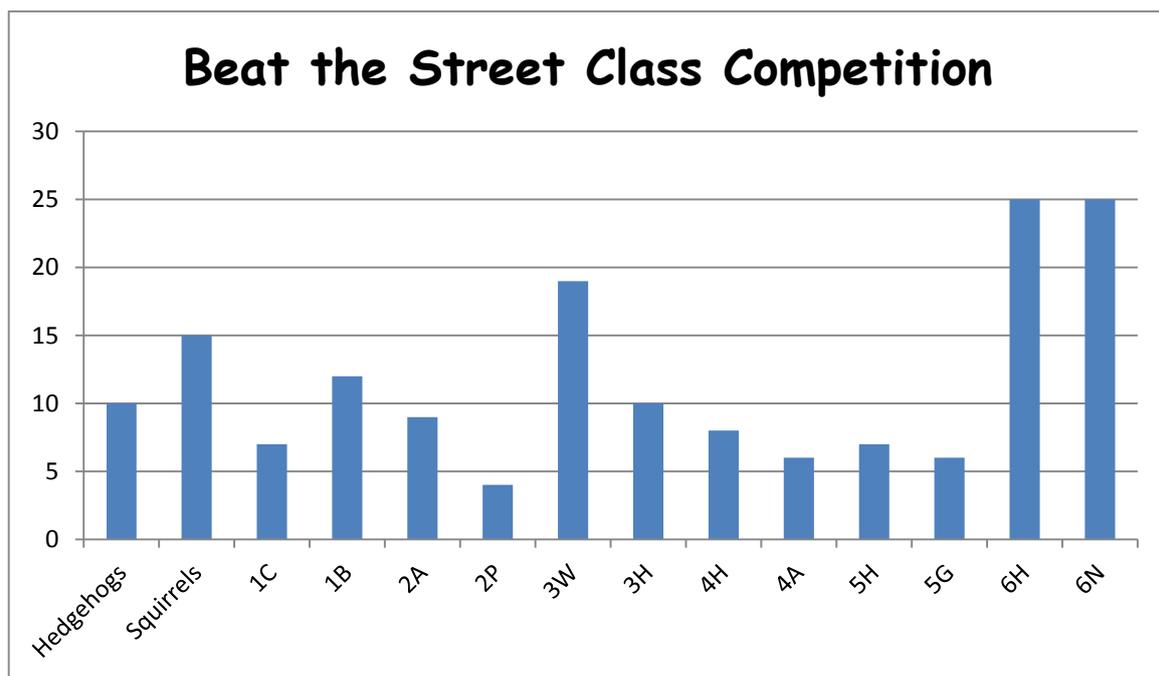

**Foundation Stage Graduation-** The children in Squirrels and Hedgehogs will be having their graduation during the afternoon of Monday 18<sup>th</sup> July. More details will be sent out closer to the date.

**Meet the Teacher Parents' Evening-** On Monday 18<sup>th</sup> July, we are giving you the opportunity to meet your child's new class teacher for next year. This will start at 3:30pm and finish at 5pm. During this time, you will be able to talk about the new year group your child will be moving into and this will also give you the chance to ask any questions you have.

**Beat the Street-** Over the last 6 weeks, we have been extremely proud of the resilience of all the children. They have done lots of walking and have been keen to get as many points as they could. The competition has enabled us to work on areas of the curriculum like road safety, map work skills, collaboration and numeracy. By the end of the competition, we were 27,950 points ahead of the next team. As well as winning the total point score competition, we also came 3<sup>rd</sup> in the average point score. This means that we have won £1250 worth of Decathlon vouchers for our school.

The children really enjoyed the class competition which we held in school. By the end, the winning classes were 6H and 6N. They will now be able to decide how we spend a quarter of the money. Both classes went out 25 times during the competition.

Thank you to everyone who helped us to collect the points. It was an amazing team effort.

**PE Kits-** A number of children are not bringing a PE kit for their lesson. Please ensure that your child has appropriate clothing and footwear for their P.E. lessons. For outdoor lessons, they will need trainers or plimsolls, long trousers, a t-shirt and a long sleeved jumper. For indoor lessons they could also bring a pair of shorts. They **MUST** bring this kit every week.
