Welcome back to a new school year. We hope you have all had a good summer.

Attached to this letter is a list of all the key dates you will need for the upcoming year.

Class Dojo- This year we will be using Class Dojo to share information with you about your child and what is happening in school. Your child's class teacher will be able to tell you about any events and achievements which happen in the classroom and we will be able to keep you up to date with all the important news taking place in school. As from the beginning of October, our newsletter and other letters will only be shared through Class Dojo which will ensure that they don't get lost on the way home or left in the bottom of a book bag! Your child has received the information you need to set up your account but if you need another copy, please come to the school office or ask an adult who works with your child and we will ensure you receive the information you need. Unlike other social media platforms, only parents of existing children in school will receive the information we share. If you need help setting up your child's account please come to the office and we will be more than happy to help you.

After School Clubs- Scottholme clubs begin on Monday 17th September. If your child would like to attend a club, please ask them to see the member of staff who is organising it. A timetable of our After School Clubs is attached to this newsletter.

Breakfast Club- At the moment, our breakfast club is **FULL**. **Please do not bring or send your child to breakfast club unless they already have a place.** We currently have a waiting list which we can put your child's name on. If your child has a place and they do not need it, please let the office staff know as soon as possible. If your child doesn't use their place for a period of 4 weeks, unfortunately we will have to give their place to someone else.

Water bottles- Please send your child with their own bottles each day. They can have either water or diluted juice in these but we ask that no milk based products, fizzy pop or energy drinks are provided. Please encourage your children to bring them home every day so they can put a fresh drink in them daily.

Packed lunches- If you bring your child's packed lunch into school after registration, please leave it with the office staff and they will ensure it is put on the correct lunch trolley. It is really important that your child's name and class are clearly labelled on the outside of their lunchbox. All food in packed lunches must be cold. If you want your child to have a hot meal, they need to have a school dinner or go home for their lunch. **Please remember we are a nut free school so no nut products are allowed.**

PE kits- Please ensure that your child has the right P.E kit for all lessons. They **MUST** bring this kit every week. Your child will get a letter telling you when they have P.E. but it is a good idea to send their kit into school on a Monday and leave it here for the week.

Naming School Uniform- Please make sure that you have clearly labelled your child's school uniform and coat with their name and class. This means that we can return any lost property to your child.

Reading Diaries- We have changed the design of our reading diaries so they will now last for the whole year. At the back of the diary, there is a list of the words your child needs to learn for their spelling challenge. If your child loses their diary, we will need to charge £2 for a replacement.
