INSET Day- School will be closed for the children on Friday 5th October as we have an INSET day.

Class Dojo- From Monday the 1st of October, we will be using class Dojo to send out all our information to parents. Thank you to everyone who has commented about how useful and informative they are finding this new system. If you need help signing up to class Dojo or you would like any more information about Class Dojo and why we are using it, please see a member of our office team.

Half Term and INSET Day- We will break up for the half term on Thursday 18th October at 3:30pm for **2 WEEKS**. This is because we have an INSET day on Friday 19th October. The children will return to school on Monday 5th November

School Website- We are currently updating our school website. This will be complete as soon as possible so if you can't find the information you need, please see the office or the adults who work in your child's class.

Harvest Festival- We will be holding our Harvest Festival on Tuesday 2nd October at 2:30pm. We are collecting items that will be donated to the Mount Zion food bank. We would be grateful for donations of items such as rice, fruit squash, tinned food such as meat, fish and fruit/vegetables, jars and packets of food, tea/coffee/hot chocolate, pasta and sugar. Please make sure the items are in date. We are unable to take donations of fresh food. Everyone is welcome to our assembly.

Smoking at the School Gate- As you are aware, our school site is a no smoking area. Please can you also refrain from smoking around the school gates as it is an area that all our pupils and parents need to travel through. Thank you.

2 Litre Bottles- We are currently building a new greenhouse at our school allotment which is made out of used 2 litre bottles. We still need a lot more to complete it. If you have any empty 2 litre bottles you no longer need, please send them into school with your child.

Taking Photos- In order to safeguard all our pupils, please do not take photos of your child in the school playground as we do have pupils in our school who are not allowed to have their photos taken. When we have school performances and we allow photographs to be taken, we always ensure that these pupils are not on the stage.

Reading Book Amnesty- On returning to school in September, we have noticed that we have a lot of reading books missing. If your child took their book home over the summer or you have any of our reading books at home, please send them back to school with your child. We desperately need them so we don't have to replace them.

Blocking Dropped Curbs- If you collect your children from school in a car, please do not park on or block the dropped curbs (see picture below). It is against the law and you will receive a fine if you are found doing this.
