

## Sport Plan 2018/19

Total amount of funding: £19,750

Objective	Actions	Funding/Cost	Impact/Evidence
<p><b>To access high quality coaching, through a range of different options. To ensure all teachers are confident in the delivery of PE and the 15 minute PE sessions.</b></p>	<p>After a successful spell as our PE Apprentice, Joel Logan will be offered the role of 'Sporting TA,' upon successful completion of his course. His timetable will involve whole class teaching of PE, small groups for tournaments and wider TA roles such as intervention groups (eg Reading Stars).</p>	<p>£8000 contribution towards JL salary.</p>	<p>Having JL take PE means we have a PE specialist teaching PE across all year groups. This will allow for a greater development of skills and knowledge.</p>
	<p>Notts County FITC sessions with Year 4. Chris to meet with leaders to discuss best delivery.</p>	<p>£2000</p>	<p>NCFC will offer a programme that is agreed by us to improve the quality of football across KS2 and beyond.</p>
	<p>To access quality coaches through offered programmes, such as the tennis coaching</p>	<p>£1000</p>	<p>Year groups to be offered coaching sessions based on their needs, leads to quality coaching for the children and CPD for adults.</p>
	<p>Ice skating programme - year 1</p>	<p>£2000</p>	
	<p>To access free coaches from NTU and Nottm University.</p>	<p>Free</p>	<p>Change for Life programme to continue in Year 3, along with extra curricular clubs offered.</p>
<p>CPD opportunities to be found by Chris for staff. Over the past 2 years, 14 courses have been made available to staff with minimal cost.</p>	<p>£200</p>	<p>Adults offered a range of courses to improve their delivery of PE and then disseminate to others.</p>	

Objective	Actions	Funding/Cost	Impact/Evidence
<p><b>To ensure all children are taking part in at least 30 active minutes every day, as part of the governments pledge.</b></p>	<p>Chris, Adam, Joe and Emma to monitor activity levels across the school and complete the YST activity tracker. For less active areas, JL to intervene and offer support.</p>	<p>Free</p>	<p>As part of the government's pledge, all children should take part in 60 minutes of activity each day, with 30 minutes taking place in school. We currently have 1 hour of timetabled PE per class, 15 minute sessions each day and active playtimes. These extra initiatives will help us reach this target and more.</p>
	<p>Introduce the Daily Mile/Sheriff's Challenge as part of our 15minute PE programme.</p>	<p>Free</p>	
	<p>KS1 and Foundation to access the Supermovers curriculum from BBC Sport and Primary Premier League Stars.</p>	<p>Free</p>	

Objective	Actions	Funding/Cost	Impact/Evidence
<p><b>To create a wider sense of community and encourage those who are less active, to take part in more sporting opportunities.</b></p>	<p>Chris has applied for Scotholme to become a Beacon School for Tokyo 2020.</p>	<p>Free and increased funding - £500 seed fund provided</p>	<p>If successful, we will become a Beacon School for Sport in Nottinghamshire. We will get extra funding, CPD, events to encourage our children and community to become more involved in sport.</p>
	<p>Involving SEN, KS1 and FS more into whole school events and inter school competition.</p>	<p>Free</p>	<p>Chris to liaise with local schools and PB to create more events for these target year groups.</p>
<p><b>To give PE a greater emphasis on whole school improvement.</b></p>	<p>Actions based on the findings of the YST questionnaire Summer 2018.</p>	<p>Free</p>	<p>Chris to evaluate the data and work with Adam, Emma and Joe for the best way to improve opportunities for the children.</p>
	<p>Setting up This Girl Can group and Sport Council.</p>	<p>Free</p>	<p>HKV and JL to organise a group that will take on projects throughout the year. This will give more positive girl role models As part of the Daily Mile/15 minute PE, we are looking to roll this out to parent groups and the community.</p>
	<p>Youth Sports Trust membership and completing their Gold Award.</p>	<p>£250</p>	<p>Having completed the Schools Games Award for the past 5 years, completing another award will give us a greater pride in the work we do. It recognises the activity we do in school. As part of the membership, there are other opportunities such as CPD and taster sessions.</p>

Objective	Actions	Funding/Cost	Impact/Evidence
To continue entering a wide range of sports across all different year groups.	Chris and Adam to evaluate the competitions we enter Costs of entering tournaments: NCC competitions - £15 each High School Events - Free University Events - Free NCFC Events - Free as part of funding Other competitions found by Chris - Free	£600	To create a plan for entering to provide better chance to prepare and compete in as many sporting competitions as possible. Some competitions have had great feedback, whereas others have not been time and cost effective.
	Provide money for transport to sporting competitions.	£1500	Having a budget for transport has allowed us to take more teams to more competitions.

Objective	Actions	Funding/Cost	Impact/Evidence
Continuing the success of previous years in promoting school sport.	To make funding available for trips to encourage a life long love of sport. Chris to find cheaper options and use of local facilities such as Bar Lane and Harvey Hadden.	£2000	Year groups to look for trips that will enhance their PE offer. Funding available but this will now need to be matched with children contributions.
	To continue Sports Stars, End of Year Sports Awards and Medals for Sports Day.	£500	Sports Stars encourages the children to think about their sporting habits throughout the year and raise the profile of PE. Giving children medals for sports day encourages competition.
	To replenish and restock resources.	£1700	We have a wide range of resources built up over the past few years. However, some of it will need replenishing and replacing due to general wear and tear

**TOTAL SPEND: £19,750**
