

Scotholme Primary and Nursery School

Nursery Term: Summer

Theme: Farm

CAL (Communication and Language):

- Following directions (For example, to get something from somewhere).
- Using talk during play to imagine a story or act out characters.
- Using different tenses (e.g. past, present, future)
- Asking questions: why, how, when, where, who.

PSE (Personal, Social, Emotional):

- Understanding our own and others' feelings.
- Understanding how our actions/words can affect others.
- Playing with others co-operatively and sharing toys.

Literacy: Farm books

- Finding words that rhyme.
- Sounding out simple words eg c-a-t.
- Using shapes and letters in their play.
- understanding that books have information, interacting with pictures and words.
- recognising sounds and words in books.
- Drawing objects, people and events.

PD (Physical Development):

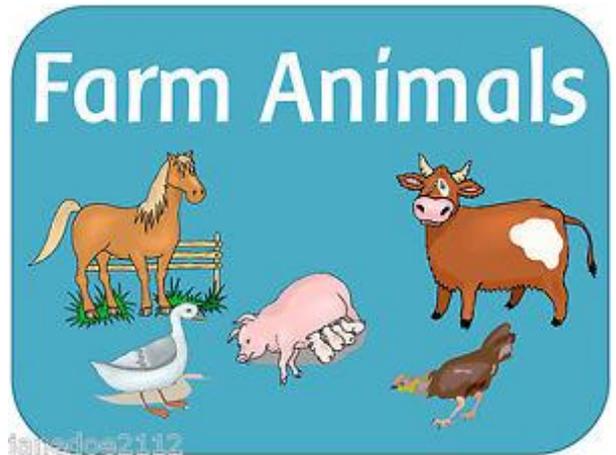

- Feed themselves more independently using utensils, spoons or forks.
- Communicate toilet needs and is dry and clean during the day.
- Dressing ourselves independently (coats, zips and shoes, hats).
- Holding pencil with 3 fingers and writing our names.
- Playing chasing games, hide and seek and watching the space around us carefully to avoid obstacles.

UW (Understanding of the World):

- Talking about our environment (streets, houses, park, etc.) animals and their homes, plants and changes in weather.
- Talking about differences between people and cultures.
- Operating the CD player, camera, ipad...
- Interacting with age-appropriate computer programs: For example, Tizzy's Toybox.

Useful websites:

Nursery rhymes <http://www.bbc.co.uk/schoolradio/subjects/earlylearning/nurserysongs>

Maths:

- Counting things, for example, jumps, claps, flowers and other objects that you can find around the house).
- Counting two groups of items 'altogether'.
- Using prepositions correctly (in, on, under, behind).
- Counting 5, 10 and more objects one by one.

EAD (Expressive Arts and Design):

- Acting out a story with our family members, making up a story.
- Choosing and using different materials to make models and different things, to build structures and represent our ideas.
