**SOME CALMING ACTIVITIES TO DO AS A FAMILY**

# MUSIC MINDFULNESS

- <https://www.youtube.com/watch?v=qss4IRPee0o>

1. Listen to this piece of music together. Close your eyes and use your imagination to think about what the music might be describing. What kind of pictures did you see in your head?

2. Talk about your ideas together. What was the music making you think of? Why? Were your thoughts the same or different? How did the music make you feel?

3. Draw a picture of what you saw in your head while listening to the music on repeat.

4. Once you have completed your picture, talk about it. Describe the characters, setting and actions. Can you create a story around the music?

5. Act out your story while the music is playing in the background.

Extra music pieces that you could use.

(Please be internet safe and remember our e safety rules)

1. The music is set into sections, each section for a different type of animal.
2. Listen to the sections and talk about how the music uses different effects to paint a picture of that animal in your imagination. (Use the music glossary for some help and clues!)
3. Can you create your own piece of music or sound effects about an animal? Can you keep the animal a secret and get your partner to guess? Can you create a zoo soundscape where everyone in your family creates the noise of a different creature? You could use things around the house, your voices and bodies or instruments to create the sounds.
4. Draw and label your own imaginary zoo or farm. Can you think of a sound for each animal?
