

Week 11.05.2020- Minibeasts

Monday

Literacy

<https://www.youtube.com/watch?v=7nL7On2gBkw>

Listen to the story of the 'Bug Hunt'. With your friend/family talk about 'Who is in the story?' (characters), 'What happens in the story?' (plot), 'Where does the story take place?' (setting) etc. What was your favourite part? Would you like to read the story again? What do you think will happen on the next page?

Numeracy

<https://www.thenational.academy/reception/maths/counting-objects-up-to-20-reception-wk4-1#slide-2>

Counting to 20- Can you count the objects up to 20? Make a number line and see if you can find 20 objects around your house.

Craft/other

Butterfly cupcakes- If you have the ingredients, why not have a go at making these 'Butterfly cupcakes.'

Cody's Butterfly Cupcakes

Ingredients

For the cakes

- 100g caster sugar
- 100g self-raising flour
- 2 tsp baking powder
- 100g butter or margarine
- 2 eggs

For the icing

- 220g icing sugar
- 100g butter or margarine

Equipment

- Mixing bowl
- Wooden spoon
- Whisk
- Cake cases
- Fairy cake baking tin
- Teaspoon
- Cooling rack
- Skewer
- Knife

Method

1. Preheat your oven to 180°C (fan), 200°C (or gas mark 6).
2. Mix together the sugar, flour and baking powder.
3. Add the butter/margarine and eggs to your mixture.
4. Whisk all the ingredients together until the mixture is light and fluffy.
5. Place the paper cake cases into your baking tin. Use the teaspoon to drop an even amount of mixture into each case.
6. Bake your cakes in the oven for around 10-20 minutes or until they are golden brown.
7. Allow them to cool by placing them on a cooling rack.
8. Make your icing by whisking together the butter/margarine and icing sugar.
9. Carefully use a knife to cut a dome shape out of the middle of the top of each cake. Cut this cake dome in half.
10. Fill each hole with icing and place the dome halves onto the cakes to look like butterfly wings.
11. Enjoy your beautiful butterfly cakes!

Tuesday

Literacy

Phase 3 CVC Words Cut and Paste Activity- Can you find the correct sounds for the objects? Cut out the correct sounds and stick (or write if you have no glue) the letters under the picture to make the right word.

CVC Words Cut and Paste

Directions: Cut and paste the letters to make the word for the picture in the box.

Numeracy

<https://www.thenational.academy/reception/maths/ordering-numbers-up-to-20-reception-wk4-2#slide-2>

Can you order numbers to 20? Send in videos/pictures of you jumping! How many times can you jump in one go?

Can you write the numerals to 20? You will need them on cards to you can use them to help you!

1	2	3	4	5
6	7	8	9	10
11	12	13	14	15
16	17	18	19	20

(like this but cut up into individual cards)

Craft/other

Finger painting craft caterpillars- If you have paint, you can make a caterpillar with your finger prints. You can still try if you do not have any paint. You could use pens, pencils, chalks etc to draw the caterpillar. How long can you make your caterpillars? How many circles does your caterpillar have? How many would it be if it was one less? One more? Can you make patterns in your caterpillar? For example, the 1st caterpillar is black, black, red, red, blue, blue, 2nd Caterpillar is blue, blue, blue, green, green, green etc. You try!

Wednesday

Literacy

High frequency word writing practice- These words are very important for us all in reception. Try and see how many you can learn. The more words you master, the more impressed we will all be! 😊

Numeracy

Developing a sense of 10-

<https://www.thenational.academy/reception/maths/developing-a-sense-of-10-reception-wk4-3#slide-2>

You will need 10 (different) objects for this lesson. This could be 10 pencils, 10 cotton wool buds, 10 pieces of pasta etc. You will also need two containers. This could be 2 bowls, 2 empty pots etc.

You can use your number cards from yesterday too.

Craft

Bee egg carton craft/Butterfly toilet roll- If you have any egg cartons or toilet rolls in your home try these cute and creative crafts! We are looking forward to seeing how bright and beautiful your mini beasts are.

Thursday

Literacy

Go on a bug hunt with your family. What bugs can you see? Can you write a sentence about what you noticed? E.g. I saw two ladybirds. We counted 3 bees.

Numeracy

Exploring place value- <https://www.thenational.academy/reception/maths/exploring-place-value-reception-wk4-4#slide-2>

For this lesson you will need your 20 objects back again. You will also need two 10 frames. I will attach a frame for you to download but it is also easy to draw.

Craft/Other

You could make some Bumble Bee foot art! If you don't have paint, you could draw around your feet and colour it in with pencils or crayons. You could add lots of different materials and make it look unique. Be creative!

Friday

Literacy

Matching rhyming words with the correct picture- Can you find the correct word and match it with the correct picture? Can you find any other rhyming words in the story?

Numeracy

Finding a number that is one more up to a given number of 20- <https://www.thenational.academy/reception/maths/finding-one-more-than-a-number-to-20-reception-wk4-5#slide-2>

You need a number grid up to 20 and a small car or object to help you.

1	2	3	4	5
6	7	8	9	10
11	12	13	14	15
16	17	18	19	20

Craft/Other

When you go on your daily exercise, why don't you see if you can see any flowers/leaves etc to make a suncatcher? If you don't have a paper plate, that is OK, you can cut a circle out of card or paper too. If you don't have sticky back plastic you could use Sellotape too. Looking forward to seeing your creations.

- Cut the centre out of a paper plate
- Cut out a circle of sticky back plastic (contact paper) that is slightly bigger than the hole in the paper plate
- Stick the sticky back plastic (contact paper) to the bottom of the plate (sticky side up)
- Add petals (or leaves/ grass etc)
- Cut out a second circle of sticky back plastic (contact paper) and stick it on top of your design.
- To hang the sun catcher up use a hole punch to make a hole at the top of the plate and add a loop using strip or a pipe cleaner.
