

How to use this resource:

You do not need to print this lesson out.

- Ask your child to read the words on the Phonics page. Ask them to sound them out and then practice writing the words. This part should only take about 10 minutes.
- Move to the next page and share the Learning Objective and how we will achieve this
- what words does Winnie use to cast her spells? Can you think of another word/ expression for Winnie to say?
- Look at the next page and discuss what 'bossy words' are and when we use them. Identify the bossy verbs on the next page.
- Practise writing some examples together
- Child's turn to complete the task independently
- send a photo of the completed work to the Portofolio.

What Is a Verb?

Verbs are words which describe an **action, occurrence** or **state**.

For example:

The ice cream is **melting**.

The snowman **wears** a hat.

Can you think of any other verbs?

What Is an Imperative Verb?

Imperative verbs are sometimes known as **bossy verbs**.

They are verbs which **tell you what to do**.

They are often seen at the beginning of a sentence and create a **command**.

Let's look at some examples...

Go and **buy** our crisps.

Eat your lunch. **Tidy** the cloakroom.

Write today's date. **Walk** home after school.

In each of these commands, the imperative verb tells the person what action they need to take.

Spot the Imperative Verbs

Go outside to play.

Spot the difference between these pictures.

Ask your dad what he thinks.

Kick the ball into the goal.

Surprise your friend to cheer them up.

Not all the verbs would be appropriate to use for all the ingredients.
