

Scotholme Primary - PE and Sport Premium Action Plan – 2020-21

Eligibility for Funding:

The government has provided additional funding to improve the provision of physical education (PE) and sport in primary schools. This funding is provided jointly by the Departments for Education; Health; and Culture, Media and Sport. It is calculated by reference to the number of primary-aged pupils (in Years 1 to 6), as recorded in the annual schools census.

Purpose of Funding:

Schools must spend the funding on improving the quality and breadth of the PE and sport activities they offer, so that all pupils develop healthy lifestyles and reach the performance levels they are capable of. Schools are free to choose the best way of using the money.

Accountability:

Since September 2013, schools have been held to account over how they spend their additional funding. Ofsted have strengthened the coverage of PE and sport within the 'Inspectors Handbook' and supporting guidance, so that both schools and inspectors know how PE and sport is assessed as part of the school's overall provision.

Physical Education and Sport at Scottholme Primary:

PE and sport develops our children's knowledge and skills, so that they can perform with increasing competence and confidence in a range of physical activities. These areas of the curriculum develop an understanding in children of their bodies in action and promote positive attitudes towards health and wellbeing. This enables children to make informed choices about physical activity throughout their lives.

Aims for Physical Education and Sport:

- To provide opportunities to promote a life-long love of sport.
- For all children to experience the best sporting experiences, coaching and facilities to enhance their enjoyment of sport.
- To use our learning habits and character strengths to improve our sporting ability and mentality.
- Promote a sense of competition, both intrinsic and extrinsic, while still maintaining the values we believe in as a school.
- To promote a healthy, balanced lifestyle, which includes understanding of the effects of diet and physical activity on the body.
- To support readiness for learning in school

Scotholme Primary - PE and Sport Premium Action Plan – 2020-21

As a member of SHINE Multi Academy Trust, we share a common goal for the PE and Sport Premium; one in which all pupils leave our school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle, with lifelong participation in physical activity and sport.

KPI 1) The engagement of all pupils in regular physical activity.	To access high quality coaching, through a range of different options.	£6000 - Premier Sports Partnership - 1 day a week. Free coaching from other sporting providers.	Premier sports will provide high quality coaching, which will improve performance and enjoyment for PE across school. It will strengthen teaching. We will continue to offer free coaching from other outside providers, such as Chance to Shine and HSBC Cycle which will develop children's skills in each relevant area. Staff training on Sport Education - Summer 2020. The introduction of Sport Education, alongside traditional PE, will greater develop a love of sport and all the aspects of it.	Premier Sports will produce an end of year report with the children's opinions on their programme- what they have enjoyed, where they have succeeded and what could be improved. Outside providers to be observed to ensure high quality coaching for the children. Observations to take note of improvements in pupils' ability and motivation	Bringing in outside providers, widens the opportunities for the children and their future prospects. It also allows for CPD for the members of staff involved. This in turn supports sustainability for the future.
	Introduction of Sport Education planning and resources. To ensure all teachers are confident in the delivery of PE and the 15 minute PE sessions. To ensure all children are taking part in at least 30 active minutes every day, as part of the government's pledge.	None	Use of 15 minute PE to be re-enforced in the Autumn Term alongside delivery of Sport Education Plan.	Observations of Sport Education sessions. 15 minute PE observations. Increased skill level of children and focussing 15 minute PE on skill acquisition and implementation.	Giving children the opportunity to experience all aspects of sport will provide greater insight and develop greater enjoyment of all aspects of sport. Using 15 minute PE allows the children to improve skills, develop a greater competitiveness and improve their behaviour based on a range of research. This also will encourage the children to experience a range of sports and games, promoting a life-long enjoyment of games and sports.
