

Summer Term - Heroes and Superheroes

Year 2 Summer Term: Week 4

About this term

This term, we are going to look at heroes and superheroes.

Each week, there will be a number of tasks based around heroes and superheroes.

In literacy, the final outcome is to create character profile and then create a comic strip for a superhero, but this will be built up through a range of activities.

This week, we are going to write a character profile about Wonder Woman.

If your child would like to do their writing on another superhero, they can do, but they will need to research it themselves.

This booklet does not need to be printed off, as the tasks can be done on plain paper.

Monday: Today, we are going to look at some Rainbow Grammar and how to use so correctly. On the left is a sentence starter, can you match it up to a sentence that makes sense on the right.

Guided Write.

Today, I am going to model a paragraph of the independent writing.

I am going to look at her creation story.

Wednesday:

This is the paragraph I have written on her creation story.

I started with a subheading and used a question.

I have written the key parts of the story.

I have tried to use different sentence starters.

I have a mix of long and short sentences.

Can you try and write one of your own paragraphs, ready for your independent writing?

Each subheading should be between 4 and 6 sentences. You only need to do one today as a practice.

How was she created?

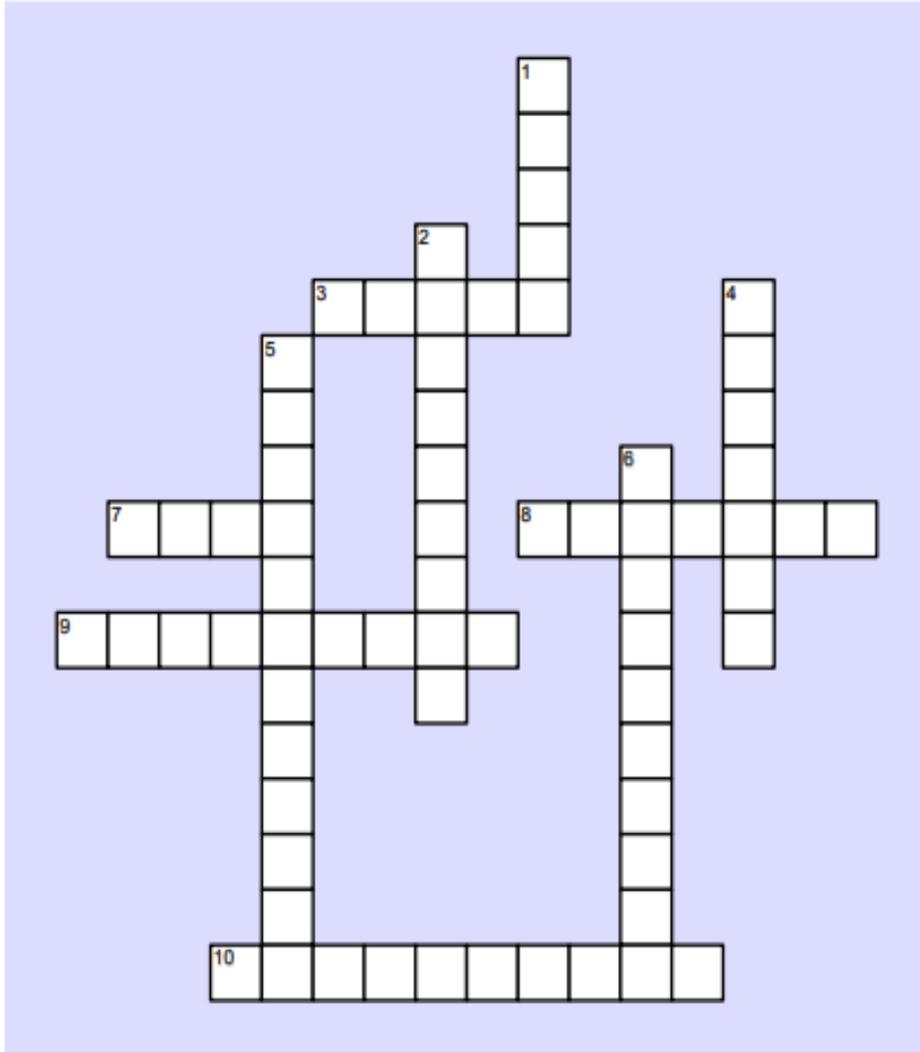

Diana was created by her mother, Queen Hipolyta. In the forest, Hipolyta found a lump of a clay and began moulding it into a baby. She was desperate for a baby so she decided to ask for help. In one origin story, she climbed Mount Olympus whereas in another story she was on the beach. She begged Zeus to bring her baby to life. Using his thunderbolt, Zeus brought the baby to life. The baby began to cry and Hipolyta was delighted and thankful. The baby was named Diana.
