

## How to use these slides to help your child:

- 1. Recall:** Help your child to read what the question is and then leave them to try and answer the question by themselves. Recall is helpful to find out what you child already knows/ can already do so you know how much support to give them.
- 2. Learning objective:** Read the learning objective together and discuss the learning habits you might need to use throughout. (discipline, resilience, imagination, collaboration, curiosity).
- 3. Guided practice:** These are problems that should be done together. Guide the children to help them to find answers by showing them the most effective way to work things out. Perhaps show them how to work the first one out, work the second one out together and finally let your child work the last guided practice question out. If they get stuck, go back to the first one and work it out together again.

**4. Intelligent practice:** These are worksheet questions that the children should be able to work out by themselves after going through the guided practice. If they need support or a reminder or how to do it then that's absolutely fine but try not to just give them the answers. Remember- mistakes are good because we learn from them.

**5. Dive deeper:** This is a question that might be more open ended. It might require an explanation of how they know they are correct. This could be done by proving their answer through showing their working out. Read this question with your child and talk about how best to answer it.

**6. Answers:** Its really important to go through the answers with your child. Give them a pen and let them tick their answers. If they get an answer wrong, now is the opportunity to look at the correct answer and identify together where they went wrong and how to fix it.

# Recall

Sunday	
Monday	
Tuesday	
Wednesday	
Thursday	
Friday	
Saturday	

- What was the weather like before Tuesday?
- What was the weather like on the day after Wednesday?

Can you use  
**yesterday**, **today**  
and **tomorrow**  
to talk about the  
weather?

What day is it today?

What day was it yesterday?

What day will it be tomorrow?

## **What are we learning?**

L.O. To learn about the days of the week and know there are 7 days in a week.

## **How will we learn it?**

We will learn about the months of the year and we will pick out special dates within the year, for example: own birthday.

**Learning habits: Resilience and discipline.**

# Guided practice

a) When is Aisha's birthday?

b) On what **day** of the **week** does Aisha visit the dentist? What **date** is this?

This is my birthday!

# Guided practice

Let's have a look...

Share

a)

I can see the days of the week and numbers on the **calendar**. This will help me to read the date.

I wonder what time of **year** it is. How can you tell?

The calendar shows that Aisha's birthday is on a Sunday in the **month** of November.

It has a number 19 in the square, so the date is Sunday 19 November.

b) Aisha visits the dentist on a Monday.

It is 13 November.

# Guided practice

When is Charlie's birthday?

Think about:

- The months
- The number of days in the month
- The day of the week

# Guided practice

Which month is your birthday in?

Which month do we start school in?

Which months are the Summer holidays in?

# Guided practice

December						
S	M	T	W	T	F	S
				1	2	3
4	5	6	7	8	9	10
11	12	13	14	15	16	17
18	19	20	21	22	23	24
25	26	27	28	29	30	31

- a) Which day of the week is the first day of the month? \_\_\_\_\_.
- b) Which day of the week is 6 December?  
\_\_\_\_\_.
- c) How many Thursdays are in December? .
- d) Draw a ☆ on the last Tuesday of the month.
- e) Draw a ✕ on 20 December.
- f) Which day of the week is 20 December?  
\_\_\_\_\_.

# Intelligent practice

Fill in the missing days of the week and complete the sentences.

Sunday

Tuesday

Wednesday

Saturday

- Today is Wednesday, yesterday was \_\_\_\_\_.
- Yesterday was Monday, today is \_\_\_\_\_.
- Today is Saturday, tomorrow is \_\_\_\_\_.
- Tomorrow is \_\_\_\_\_, today is Wednesday.

Use a calendar to look at the names of the months.  
Discuss special dates in different children's lives e.g.  
birthdays, celebrations, holidays.  
Complete the sentences.

My birthday is in \_\_\_\_\_

In \_\_\_\_\_, I went to \_\_\_\_\_

Number the months  
in the correct order

January

February

May

March

April

July

August

June

November

September

October

December

# Dive Deeper 1

## True or False?

- All the days of the week end with the letter y
- All the months of the year end with the letter y

Explain your answer.

# Dive Deeper 2

The 7<sup>th</sup> of March 2018 is a Wednesday.  
What day is the 10<sup>th</sup> of March 2018?

Sort the days of the week into school days or non-school days.

Sunday

Monday

Tuesday

Wednesday

Thursday

Friday

Saturday

At School

Not at School
